Oxford Exam Trainer – train or practise?

This workshop takes a practical look at Maturita preparation. We will use materials from *Oxford Exam Trainer* to show how best to make the most of the wealth of material which is on offer within this new Maturita preparation course.

Eva Paulerová is a secondary school teacher. Since the early 1990s she has worked as a teacher trainer for the British Council and several Czech institutions, taken part in national and international ELT conferences, and presented sessions on teacher and trainer training, as well as methodology. She is one of the founders of AMATE (Asociace metodiků / Association of teacher educators) in the Czech Republic. For more than 15 years she has co-operated with OUP – doing workshops on methodology, language and culture, adapting and writing materials for lower and upper secondary. She is a co-author of the Czech edition of *Solutions*, *Oxford Exam Excellence*, both levels of *Oxford Maturita Excellence*, *New Headway Maturita Student's Book* and *Oxford Exam Trainer*.
