

Dear colleagues,

The Institute of Foreign Languages of the Faculty of Education, Palacký University, would like to cordially invite you to participate in the **International Week** organized for our current and prospective Czech and international partners and colleagues between **4 - 8 April 2016**. Our aim is **to promote cooperation, encourage staff and student mobility and share experience**.

In the course of this week we would like to give our students and teachers the opportunity to broaden their horizons through contact with various professionals from other Czech and European educational institutions. We, therefore, welcome any prospective participants who would like to share a lecture, presentation or workshop on a topic of their professional interest in the field of English language, literature and culture, and English language teaching and learning.

Participants may stay with us for the whole event or only part of it. Accommodation can be arranged in the local students' hostel. Rich cultural program will include a visit to one of the local schools, sightseeing in and outside Olomouc, visit to J. A. Comenius museum, visit to a local cheese factory, etc.

We are looking forward to meeting you in Olomouc.

Best wishes,
